AMENDMENT

This Amendment is being filed in response to the Examiner's Action dated September 18, 1995 (Paper No. 6). Please amend the application, without prejudice or disclaimer, as follows:

In The Claims:

Please cancel claim 12, without prejudice.

Please amend the claims as follows:

1. (Amended) A building structure adapted to allow for ventilation of vapors from within the structure to an exterior area so as to retard deterioration of the structure, comprising:

a sloped roof having a decking and a sheet overlying the decking;

the sheet having a plurality of [projects]
projections projecting upward away from the decking;
